

# LOVE LETTERS "PEN PAL"

Dear Future Love Letters "Pen Pals,"

We are elated that you want to be apart of the Love Letters: Random Cards of Kindness, Inc. family! As a Love Letters "Pen Pal," your dedication, time, and energy for making beautiful inspirational homemade cards for children with life-threatening illnesses brings happiness to their hearts and smiles to their faces. Without your continuous contributions, Love Letters would not be able to provide such support for our wish children. In fact, we think of our Love Letters "Pen Pals" as Angels because of your tender heart and willingness to give back.

This is the first step of your volunteer journey. Please complete the entire application; do not leave any blanks. If you have additional questions about any portion of the application please e-mail us at [info@LoveLettersCares.org](mailto:info@LoveLettersCares.org). Below is the information on how you can get involved:

A Love Letters "Pen Pal" can be an individual or group of individuals interested in brightening the lives of children with chronic illnesses by making positive homemade cards on their own time. It's the volunteer's responsibility to follow "The Guidelines" and complete the "Card Count Form" before sending the package of homemade cards to the national headquarters.

Sponsors are individuals, groups, or businesses who graciously want to make a difference in children's lives through the donation of card making supplies. Our organization appreciates materials such as: blank cards, envelopes, postage stamps, stickers, markers, pens, or colored pencils. These supplies will be used to create positive and inspirational homemade Love Letters cards. Also, monetary donations are greatly appreciated.

In this packet, you will find a frequently asked question page, core values sheet, Love Letters "Pen Pal" application, and our commitment verification form. Please read **ALL** these materials before we receive your application and you begin volunteering as a Love Letters "Pen Pal." You are the key to the success of our organizations and we depend on you to help children's dreams come true!

Once again, thank you for your interest and we look forward to developing a long lasting relationship with you. WELCOME to the Love Letters: Random Cards of Kindness, Inc., family!

Hugs,

Love Letters Board
